## Description

A Multipoint [Fuel injected Brand new Mercruiser 3.0 L Engine](#) and [Alpha One Gen 2 Sterndrive](#) along with Smartcraft gauges was fitted into this International Marine Huntsman.

Modern day technology with classic looks and Performance.

The new Mercruiser Engine and drive package by Hitech Marine has seen this heavy hull run past 32 knots and uses only 17 litres per hour at a cruise speed of 19 knots. Check out the performnce specs below...

### Performance & Fuel Economy Specifications

Engine RPM Speed Knts Litres per hour

1000 3.8 3.5

1500 5.8 6.0

2000 7.8 10.2

2500 14.8 13.6

3000 19 17.3

3500 22.7 22.5

4000 25.0 29.7

4650 32.7 42.1

Instant starting, outstanding fuel economy and the reliability to use the boat at a moments notice.

Sequential multi-port fuel injection precisely meters the air-to-fuel ratio, ensuring efficient operation any time the engine is running

The high-output alternator, which produces 65 amps at maximum rpm and 38 amps at idle, provides battery charging on demand

The owners are delighted with their decision to Re-power with a new Mercruiser engine by Hitech Marine.
