Description

Barron Sportsman Re-powered by Hitech Marine with a new Mercruiser 3.0L TKS with [Alpha one Gen 2 Sterndrive](#). Stunning performance along with increased reliability from this Repower, the turn key start engine has given the owners far more confidence to venture out further and more often.

Hitech Marine conducted a full repower and refit of this very well known hull, a top speed well past 34 knots and a comfortable cruise of approximately 22 knots was achieved.
