Description

Chivers Thunderbird Re-Powered with a new Mercury MerCruiser 3.0L TKS [Alpha Sterndrive](#) by Hitech Marine Centre. This legendary Western Australian hull has a new lease of life and will go on providing many years of service.

The Hitech Marine Mercruiser engine has provided the level of reliability that has given the owners the confidence to get out further and now really get some use out of the boat.

A top speed of 36 knots, instant turn key starting and great fuel economy from the high-displacement 3.0L engine. This 18ft Chivers fishing platform has always been a top performer in rough WA waters, now with a full Repower from Key to Prop by Hitech Marine it can compete with boats 4 times its price.
